# USA Hosts I Key Events

## CUSTOMER COMMENTS

How do I start to thank you for all the hard work you invested into making our US networking event the best ever? You made my job so easy! Thank you for the time invested to select just the right venue, negotiating the entertainment, the food, the drink and the car show. Also thank you for working with my other vendors to make everything seem so seamless to our Partners.

- MICROSOFT

I cannot thank you again for all you did to make my meeting such a great success. I have to say out the four of these meetings that I did, SFO was the most effortless for transportation. We had a lot of very positive comments on both transfers and tours. I absolutely love working with you.

- WYETH

I can assure you that in my over 20 years of event planning, I have not experienced the exceptional level of service and cooperation that I received from you. It was truly a pleasure to work with you and I hope that I will have the opportunity to do so again.

-AMERICAN CHEMICAL SOCIETY
